

Bob Deakin, a career insurance agent and former PGA golf touring and club professional, was a devoted family man with a great sense of humor, a positive spirit, and a zest for life. He was very passionate about his faith in God, his family, his love for the game of golf, and his service to his community. We believe the Charity Golf Classic embodies all of these aspects of Bob's life while it demonstrates the Foundation's commitment to raise awareness and financial support for important groups such as Hospice.

The Bob Deakin Foundation is a 501(c)3 non-profit organization established by the Deakin family to honor Bob, who died of cancer in 1994. Through advocacy, fundraising, and philanthropy, the Foundation hopes to achieve its objectives of assisting individuals and families coping with terminal illness as well as providing positive life experiences for youth. In this, we hope to honor Bob's life and leave a legacy to the people and issues that were most important to him.

Proceeds benefitting The Carolinas Center could represent enough money to provide scholarships to the Center's three-day clinical conference for hospice care providers. To place advance care planning material in rural hospitals. Or perhaps sponsor an educational forum for employers on care giving and grief. The Carolinas Center is definitely an invaluable resource to its hospice partners as well as to the communities they represent. We are very happy, once again, to have the opportunity to support their efforts through the 2011 Charity Golf Classic!

Proceeds will also benefit BounceBack Kids, a nonprofit based in the Triangle region of NC, whose mission is to enrich the lives of children with serious medical conditions and their families through free year-round recreational, athletic, and social activities offered in a caring and supportive environment that is medically-safe. Specific uses for funding include events and resources for hospitalized participants. We are excited to help this cause! For more information on the organization, visit www.bouncebackkids.org.
